

WATCH OIL

Nineteen months is considered by experts to be the life of watch oil. After this time it begins to get hard and is liable to cut away the fine pivots and ruin the watch.

Give your watch the care it deserves.

It just costs one dollar to have it cleaned and oiled and guaranteed for one year.

The death occurred in Kitchener on Saturday, March 3rd, of Henry B. Strome, in his 33rd year. The late Mr. Strome was well known in GRIMSBY having been foreman of the INDEPENDENT composing room for over two years. He was a great chicken fancier and was instrumental in the forming of the GRIMSBY Poultry Association, which conducted a show for two years and then suspended operations until after the war. He leaves a wife and four small children. The funeral took place to Elmira on Tuesday.

DR. ARTHUR B. COBB

The time is past for being afraid of going to the dentist. Extraction of teeth as executed by Dr. Cobb is painless. He uses the famous "Odontodont" which when applied to the gums, makes the extraction absolutely painless. This is a guaranteed fact, as so many of our grateful patients will testify.

Convince yourself by a personal visit to the spacious offices—occupying three entire floors—all equipped for your comfort and ease where every branch of dentistry is in the hands of a first class specialist under the supervision of Dr. Cobb, who himself, does the greater part of extractions. The prices are reasonable, consistent with the good work accomplished.

If you have been putting off having your teeth attended to, hesitate no longer. Either write us for an appointment, or come in the next time you are in town and let us make a thorough examination of your mouth. Often a small filling will save a tooth from total decay. Dr. Cobb always endeavors to save your teeth if possible. Extraction is only done as a last resort. "Be wise to-day, to-morrow's caution may arrive too late."

When making the call for examination do not fail to visit our most interesting Japanese tea room and enjoy a cup of tea, coffee or bouillon. Every one is welcome and we make no charge for it.

All letters of inquiry promptly answered.

OBITUARY

DEATH OF MR. PATRICK WARREN

Mr. Patrick Warren, who has been a resident of South GRIMSBY for the past twelve years, passed away at the home of his son-in-law, Mr. William O'Connell, GRIMSBY Centre on Saturday, Feb. 24, 1917, at the advanced age of ninety years.

The deceased gentleman was a native of Kilmarnock, Ireland, and came to America in 1853, about sixty-four years ago. He lived in Rome, New York, a few months where he was married, then he came through Buffalo and crossed into Canada and took up a homestead near Dunnville where he resided up to the death of his wife twelve years ago.

In speaking of the many changes that had taken place since he arrived in America he often told about the streets in Buffalo being lighted by candles in glass lanterns when he was passing through there.

He is survived by one son, John of Buffalo, and two daughters, Mrs. Clifford of Buffalo, and Mrs. William O'Connell of GRIMSBY Centre.

The funeral took place on Tuesday, Feb. 27th., in the Roman Catholic Cemetery, Dunnville, Father Donovan officiating.

DEATH OF THE REV. JOHN MUIR

Although the many friends of the Rev. John Muir, M.A., formerly pastor of the Presbyterian Church, GRIMSBY, have known for some considerable time that he was in a very critical condition, yet when the news finally came that he had passed away, it was a shock to the community on account of the fact that he had always been looked upon as a strong, healthy man, and was only in the prime of life, having just reached the age of fifty years.

Since 1894 when the Rev. John Muir was inducted as pastor of St. John's Presbyterian Church, GRIMSBY, he had been closely connected with the affairs of this town. From 1894 to 1912, a term of eighteen years, he was prominently connected with religious and educational affairs in GRIMSBY. As a preacher he was a man of no mean ability, but as a public speaker he had few equals. During the past dozen years he had occupied the lecture platform in nearly every part of the Province speaking on behalf of local option, on the Scott Act, or prohibition.

In 1912 he resigned the pastorate of St. John's Church and became connected with the Dominion Alliance and became one of its regular lecturers. Shortly after the war commenced he devoted himself to patriotic work and became connected with the York County Patriotic Association and to this line of work he gave nearly all his attention up to the time when ill health compelled him to retire.

During his stay in GRIMSBY he was always closely connected with athletic sports and became very popular amongst the curlers, bowlers, golfers, etc., and amongst this class of men his early demise will be greatly regretted.

The deceased gentleman was married twice, his first wife predeceasing him quite a number of years and his second wife also predeceased him last year. He is survived by two children, William, who is now serving his country overseas, and Agnes, who was a constant attendant at his bedside during his prolonged illness at their home in Rosedale, Toronto. He is also survived by his mother, Mrs. Samuel Muir of Vineland; two sisters, Mrs. Thomas Wyllie, Vineland, and Mrs. Samuel Quig, Hespeler, and three nephews, Mr. William Wyllie, Vineland; Mr. Samuel Wyllie, Experimental Farm, Jordan Harbour, and John Wyllie, Hamilton.

The remains will be brought to GRIMSBY for burial reaching here

DEATH OF JOHN T. HEWITT

Word reached GRIMSBY on Tuesday, March 6, of the death, at his home in Brantford, of John T. Hewitt, eldest son of the late Simon Hewitt and nephew of Mr. John Hewitt, GRIMSBY.

The deceased gentleman was a prominent politician and society man in the city of Brantford for many years, holding office for several years in the Brantford Reform Association and holding the position of clerk of the supreme court and surrogate and county court for the past fifteen years. He has been in poor health for a number of years.

The funeral took place this morning at 10 o'clock in the Brantford to GRIMSBY by G.T.H. and interment took place in the Hewitt burial plot in Queen's Lawn Cemetery.

IN MEMORIAM

HUGHES—In loving memory of George Hughes, who departed this life March 3rd, 1914.

Just three years ago today,

Since our dear grandfather passed away,

God called him home, it was His will;

But in our hearts he liveth still.

His memory is as dear today,

As in the hour he passed away.

Sleep on dear grandfather, and take thy rest,

God calls home first, whom He loves best.

THE GRIMSBY HOSPITAL SUPPLIES CLUB

The GRIMSBY Hospital Supplies Club sent last week to the Canadian Red Cross Society, Hamilton Branch, the following supplies:

12 Many-dotted bandages.

120 Yards unmedicated gauze.

64 1 lb. rolls absorbent cotton.

8 Day shirts.

21 Pairs socks.

7 Kites pyjamas.

3 Pairs wristlets.

As increased effort is needed it has been decided to meet on Tuesday afternoon as well as Thursdays. At Mrs. Leslie Nelles. The evening meetings are cancelled.

Those who are not already working for our wounded soldiers are invited to attend these meetings.

In the Red Cross Bulletin for February the report of supplies sent out from our Red Cross Warehouses, in London, England, during November, 1916, shows that 7,615 cases were distributed in England and France during that month, and only 2,312 cases were received from Canada. Owing to this depletion of stores only 5,000 cases could be sent to France in December.

Does this falling off of supplies point to a slackening of effort on the part of Canadian women? Our soldiers are still "carrying on."

Those wounded and shattered men over there were wounded for our sakes. Can any woman accept the sacrifice of comfort, of safety, of the life itself, made by those heroes, and not be impelled by sheer gratitude to aid in binding those wounds, in supplying fresh garments to replace the tattered rent and stained in battle, or in performing in any manner possible her duties

Niagara Falls, Ont., March 1.—Thos. Berriman a life-long resident of Stamford Township and prominent Conservative, died here today in his 78th year. He was a well-known politician and retired farmer.

Mrs. Elizabeth Bailey, said to be the oldest woman on the Niagara Frontier celebrated her 91st birthday Wednesday in the General Hospital, Niagara Falls, Ont. She has lived in the vicinity of Niagara Falls for 75 years.

The Niagara Falls police officials think that Fred Mainland of St. Catharines should call after he was sentenced to sixty days in the county jail for beating up three policemen and on reaching police headquarters he challenged any and all members of the force to put him in the cell.

Pto. Walter Field, Smithville, first returned War hero, was given a rousing reception in Brant's Hall, Smithville, on Tuesday night last, and was presented with an illuminated address, a purse of gold and a suitably inscribed gold locket, by the citizens.

Toronto, Ont., Feb. 27.—In private bills committee this morning property owners of the western portion of Crystal Beach, the summer resort in Welland County on Lake Erie, asked that an act be approved detailing their lands from the police village of Crystal Beach. They represented that they had paid to the village \$1,700 in taxes in four years and had received nothing in return, not even police protection. Furthermore they had expended \$20,000 on a public thoroughfare receiving no help from the village. The committee agreed to establish a precedent and the bill was declared lost.

Welland Telegraph.—William Irvine Robinson, secretary-treasurer of the Robinson Cork Co., of Port Colborne, is reported one of the passengers lost from the Lacombe, when that vessel was sunk by the torpedo of the German submarine off the coast of Ireland at seven o'clock on Sunday night.

Toronto, Ont., Feb. 26.—Attorney General Lucas will introduce in the Legislature this afternoon, a bill providing a penalty of \$1,000 a day upon any corporation or municipality which fails to obey any order made by the Ontario Railway Board. It is said there have been many cases of such disobedience of orders lately.

Niagara Falls, Ont., Feb. 25.—Thos. George, who arrived here on his way to Toronto to enlist in the 25th battalion, came 1,400 miles to join the Canadian overseas forces. He was in Mobile, Ala., when he decided to respond to the call. George was born in County Down, Ireland and emigrated to the United States nine years ago.

Hamilton, Feb. 25.—That a plant for the building of the famous British war tanks is to be erected in either Hamilton or Montreal, employing several hundred men, was the information handed out here yesterday by local military authorities. Particulars are withheld, although it was said an announcement would be made before the end of the week.

One of the unique and interesting features of the Automobile show held in St. Catharines last week, was an Oldsmobile exhibited by Mr. W. J. Jones. This antique car was built by the Oldsmobile Company twenty years ago and the engine was still in shape to run down to the Armouries for exhibition. This horseless carriage, as it was called then, was one of the first cars to come into Canada.

Niagara Falls Review.—James Deard, aged about 22, a brakeman employed on the Grand Trunk, was the victim of a bad accident near the Diamond last night. Deard was going over the bridge on a short trip, and was on top of a car when he slipped and fell between. The train passed over him, cutting off both legs just below the knee. He was rushed to the hospital after first aid had been administered.

St. Catharines Journal.—Friends will regret to learn of the death Wednesday morning of Louis D. Lambert at his home in Grantham Township. The deceased who was 74 years of age has lived continually in this community. He was of a quiet disposition and never mixed in municipal matters. He was an adherent of First Presbyterian Church. The deceased is survived by his sorrowing widow and three sons, John and Harvey of this city and Ira at home.

Welland Telegraph.—Probably the biggest price ever paid in Welland for a hog (a hog that is purchased to be converted into meat) was recorded on the market when Robert Dordor's of Wainfleet put in his pocket \$30.50 for one solitary porker. Even at that the hog was sold at 24 cents a pound below the market price. This pig really ought to have his name spelled with a capital P; was three years old, of Cumberland type, and weighed 700 pounds. Kohler, Knoll & Tuttle were the buyers at 11 1/2 cents a pound.

St. Catharines Standard.—Captain Harry Cosens, formerly of St. Catharines, has been appointed to the customs staff at Port Erie port commencing his duties on Tuesday. Capt. Cosens saw considerable service in with the Canadian contingent in France, but has been incarcerated for any further active service on account of wounds he received. He is also a veteran of the "South African" war. He was formerly commandant of E company, 19th Battalion.

St. Catharines Standard.—Word has been received that Philip Meade, who recently left this city with the naval recruits, was injured in the wreck of the Maritime Express, on the Intercolonial, which occurred last night between Montreal and Halifax. Meade was rejected for the navy and was on his way home. His father, "Erst" Meade, is a member of the 17th Battalion, stationed at the Falls.

A pretty but quiet wedding was solemnized by the Rev. George E. Hough on Tuesday when Miss Mary Lillian House, eldest daughter of Mr. and Mrs. W. H. House, of Louth, was united in marriage to Mr. Ingram Bentley son of Mr. and Mrs. J. W. Bentley of Vainville, Indiana. The bride looking charming in her blue travelling suit carrying a bouquet of sweet peas and maiden fern. The couple left on the 12.29 for Buffalo and points east.

Welland Telegraph.—Joe Morabito, the Mule street marchant, charged in connection with the serious shooting affray on Crowland street, was to have appeared in Court of Assize for trial on Wednesday before Justice Clute, but when the case was called it was found that Joseph had obtained his bail. T. F. Battle, counsel for the crown, made application to Justice Clute to have Morabito's bail retracted and a warrant issued for his arrest. The application was granted. The \$1000 bail was on Joe Morabito's own recognizance and the money had been paid in by him to Crown Attorney Cowper.

Smithville Review.—Complaint has been made at this office of some of the young men in the country making a practice of riding their horses down the highway at a gallop, causing some from church benches and elsewhere to the discomfort and danger of pedestrians who are forced to walk the road, while the offenders are ice-covered. On Sunday morning

one of these young men narrowly escaped knocking an elderly lady down in the road, and as it was, he hit her in the shoulder. Drivers of vehicles must remember that pedestrians have the right of way whether it be on the roadway or elsewhere, and such conduct in the future will receive due consideration from the law.

St. Catharines Standard.—The Conlins Smelter at Thorold was the scene of a small fire Tuesday. The furnace of a small fire Tuesday. The furnace in the moulding shop is heated by oil and in some manner the feed pipe was broken and the oil soon became lighted and set fire to the building. The Thorold firemen and trucks were sent for but owing to the deep snow banks they were unable to make a fast run even though two teams of horses were used on the engine. The workmen at the plant had the fire out before the fire-fighters arrived. The loss is estimated at about \$700, considerable of that amount being in silver which will be lost.

Welland, Feb. 25.—In the Supreme Court here to-day Captain Thomas Cook of Port Robinson, formerly of Midland, was found not guilty by jury on a charge of manslaughter. The charge was based on the death of Harry Brown, a watchman, on a dredge at Port Robinson, a few days after he was assaulted by Captain Cook on the night of December 1st. The defence was based upon the plea that Captain Cook was not drunk but was not in any way responsible for what he did on that occasion. Mr. Justice Clute, who presided, told the jury that this plea could have no effect upon their verdict, but only upon the severity of his sentence and charged strongly against the accused, saying: "I am bound to instruct you as a matter of law that no just and complete answer has been made to the charge and the charge as fully and conclusively made out of the evidence as to be believed, and I see no reason to disbelieve it."

The jury, however, returned in less than half an hour with a verdict of not guilty. Captain Cook is more than sixty years old and the victim of the assault was more than seventy. T. F. Battle, of Niagara Falls was Crown Prosecutor and the prisoner was defended by H. W. Mac Comb.

Recruits Wanted for Production

Just as surely as lack of food is strangling Germany day by day, so plenty of food is winning the victory for the allies. The French armies, for instance, were never better fed than now, for France cannot forget the awful lesson of 1870—the failure of her food supply. To this she attributed the loss of that war.

To feed the French soldiers around Verdun, more than 25,500,000 pounds of food a week were required. This gives a faint idea of the colossal task of feeding an army. Canada and Britain have a huge army of fighting heroes on the line; every man must have plenty of food, in spite of a world shortage. Upon Canada's food production all principally rely.

The Farmers of Ontario Urgently Need Help

The Department of Agriculture appeals to men and boys to enlist in the farm help campaign. The Department appeals to men unfit for military service, or who find it impossible to enlist in the army. Do your "bit" by helping to increase production of foodstuffs. This is your hour of opportunity.

The farmers of Ontario need the help of retired farmers, of men following no occupation (retired), of business men who can spare a portion of their time. We appeal to all who can so arrange their ordinary affairs to plan to help some farmer friend, particularly in seed time and harvest.

Confer with your county District Representative of the Department of Agriculture, or write, "Farm Help Campaign," care Department of Agriculture, Toronto.

Until quite recently the stalk from which the cotton had been picked has been regarded as worth-

material is done away with through the discovery that cotton stalks can be made into excellent paper pulp. The strong fibre of the stalk, which is able to withstand the nitrate process, makes it valuable in the manufacture of gun-cotton. A second discovery in connection with the cotton plant is the value of its roots, from which artificial silk can be produced.
